Product Requirements Document (PRD)

Functional Scope, User Personas, 13 Core Views, and Business Architecture

1. Executive Summary & Product Vision

Play Field is a multi-tenant, broadcast-ready sports tournament operating desk designed for multi-court facilities (Futsal, 7-a-side Football, Indoor Cricket, Badminton). It eliminates the friction of spreadsheet-based tournament scheduling, court double-booking, contentious refereeing disputes, and delayed public score dissemination.

> **CORE VALUE PROPOSITION**
>
> Integrated multi-court booking, algorithmic Berger group pairing, real-time two-tier court conflict mutex protection, one-click 3-0 Walkover disciplinary automation, and a zero-login instant public broadcast scoreboard.

2. User Personas & Problem-Solution Matrix

USER PERSONA	PRIMARY ROLE	KEY PAIN POINT	PLAY FIELD SOLUTION
Tournament Director	Facility Owner / Match Lead	Court double-bookings & manual scheduling	Pre-publish collision scan & automated Berger draws
Pitchside Scorer / Ref	Sideline Official	Paper scorecards & delayed event logs	Monospaced steppers & roster-linked player logger
Team Captain / Coach	Competing Squad Leader	Court confusion & tiebreaker disputes	Live standings radar & instant relocation notice
Spectator & Fan	Remote & Pitchside Audience	No real-time score visibility	Zero-login live broadcast web link

3. 13-Screen Functional Architecture

The system delivers end-to-end operational coverage across 13 core views and edge-case subsystems:

- **Screen 1 (Landing Page /)**: Public platform overview, feature showcases, and sample live tournament links.
- **Screens 2 & 3 (Login & Signup)**: Email authentication with deep-link Co-Organizer delegation guards (`?inviteToken=...&tournamentId=...`).
- **Screen 4 (Onboarding /onboarding)**: Preferred sport selection, profile type, and 3-step platform workflow tour.
- **Screen 5 (Dashboard /dashboard)**: Strict user filtering displaying only tournaments owned or co-managed by the user.
- **Screens 6–9 (4-Step Start Tournament Wizard)**:
    1. *Step 1 (Details)*: Venue selection (Colombo Futsal Hub), operating hours, hourly and day rates.
    2. *Step 2 (Teams)*: Squad registration, group allocation (Group A, B), and player roster entry.
    3. *Step 3 (Confirm)*: Automated Berger schedule draw with pre-publish court collision scan.
    4. *Step 4 (Payment)*: Selective Payment options (30% Advance Deposit vs 100% Full Venue Package) and shareable public URL generation.
- **Screen 10 (Ongoing Tournaments /tournaments/ongoing)**: Dynamic ongoing list with next-match court, date, and live kickoff badges.
- **Screen 11 (Live Management Console /tournaments/:id/manage)**: Pitchside scoring steppers, roster-linked Goal/Assist loggers, Two-Tier Court Reassignment modal, and Disciplinary 3-0 Walkovers.
- **Screen 12 (Ended Tournaments & PNG /tournaments/ended)**: Podium archives, Golden Boot leaderboards, and high-DPI 1200×1200px social media graphic exports.
- **Screen 13 (Public Live Broadcast /public/tournament/:id)**: Zero-login responsive fan broadcast with active clock and court relocation alert banners.

4. Visual Verification Artifacts

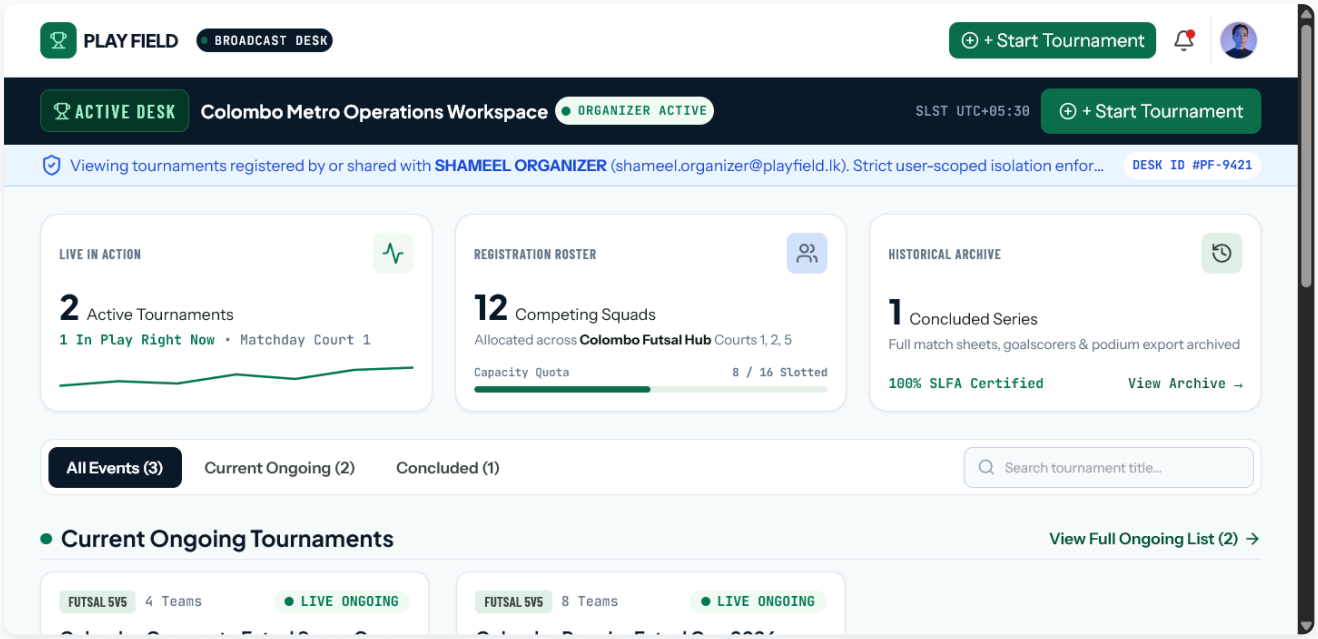

Figure 1: Organizer Mission Control Dashboard (/dashboard)

Strict user filtering displaying ongoing tournaments with active match court badges, "+ Start Tournament" CTA, and ended tournaments archive.

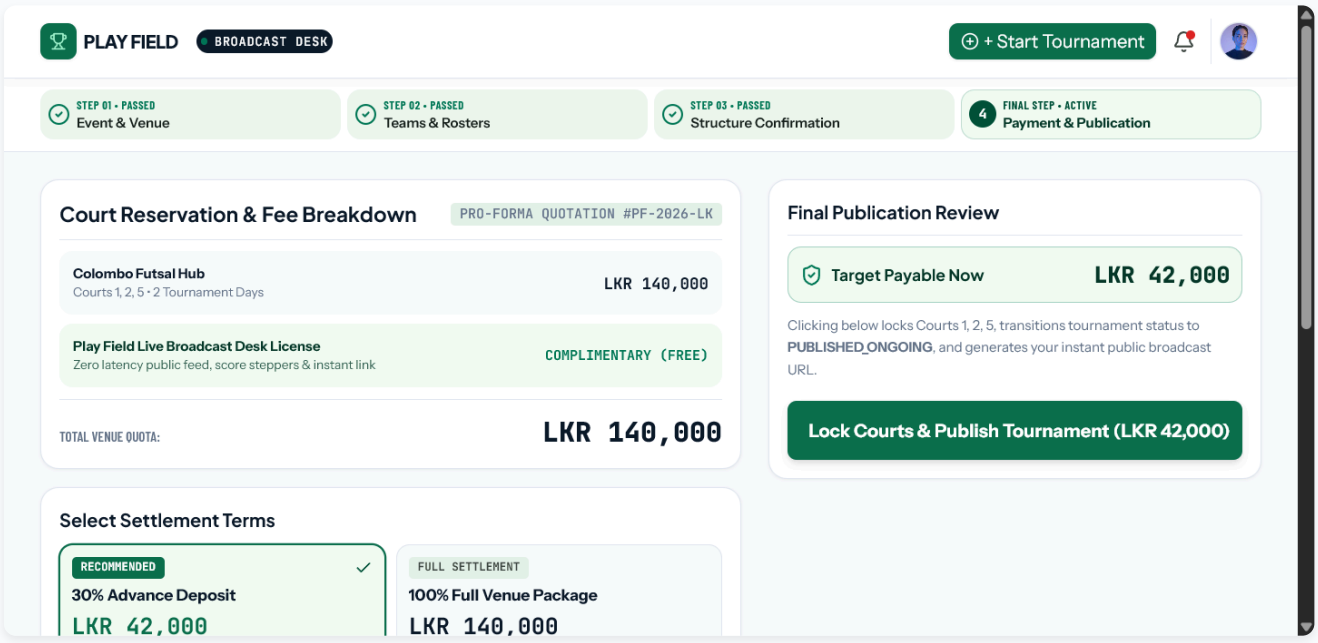

Figure 2: Selective Payment Options & Publication Desk (/tournaments/new/payment)

Selective 30% Advance Deposit (LKR 37,800) vs 100% Full Package checkout generating the instant shareable public broadcast link.
